

Merrilyn Bowman, Chief Financial Officer

Merrilyn Bowman was born in Kyoto, Japan and wound up in Fayetteville married to Bill Bowman. Merrilyn recently retired as CFO of Kidsville News, Incorporated, but she still pokes her head in every once in a while to say hi and offer her support. As CFO for Kidsville News, Incorporated, Merrilyn was responsible for financial planning and implementation, and the monumental task of keeping up with Bill's expenses as he traveled the country promoting Kidsville News!

Merrilyn recently retired from a 30 year career with the Cumberland County Cooperative Extension Service. She is also extremely proud of her two sons, Leonard, 40, and Grady, 24. She has two grandsons, Nicholas, who is 11 years old and John who was born last fall.

Merrilyn's favorite color is green and her favorite thing to do on a sunny Saturday afternoon is to read a good mystery novel!
